# THE PROGRAM

During five action-packed days, souls will be inspired and boundaries will be stretched. With one of the most sought after faculties in North America, local dancers will learn to believe in their potential and set out on a journey to achieve their extraordinary goals.

## The Tools

Dance is more than classes and pirouettes. At RISE, our goal is to see you achieve yours! Every student will learn to channel their passions through connecting mind and body. They will be given the tools to help make their dreams become a reality.

Students will work with:

- International, cutting-edge choreographers
- Personal and career coaches
- Sports psychologists
- Yoga and Pilates instructors
- Personal trainers

## The Styles

Starting each day with a group conditioning class, students will train from 9:30 a.m. – 6 p.m.

Days will include:

- Jazz
- Contemporary
- Lyrical
- Hip Hop
- House
- Jazz/funk
- Signature RISE workshops

## The Dance Faculty
